MEMORANDUM FOR CURRENT AND POTENTIAL DOD CONTRACTORS

FROM: ESC/DIK

SUBJECT: Central Contractor Registration (CCR)

1. Please read this urgent message and register as soon as possible. The final rule implementing Central Contractor Registration (CCR) in the Department of Defense (DoD) was published in the Federal Register Vol 63, No. 61, on 31 Mar 98. Contractors will not be eligible to receive a contract award from a DoD activity unless they are registered in CCR by 1 June 98.
2. This rule requires a firm to be registered in the DoD CCR Database prior to award of any contract, basic agreement, basic ordering agreement, or blanket purchase agreement (including any resultant orders). Firms must register on a one-time basis and annually confirm accuracy and completeness of registration information.
3. The ITSP is not the point of contact on this action. For more guidance and information, please visit http://www.safaq.hq.af.mil/contracting/biz_opty.html or contact via E-mail Ms. Edith Ryan, AFMC/PKS, ryane@wpgate1.wpafb.af.mil.
